

ANNOUNCEMENT: NEW JOURNAL FOR MADAGASCAR

MALAGASY NATURE

Malagasy Nature est une revue internationale sur l'histoire naturelle de Madagascar et des îles voisines produite par l'Association Vahatra. La revue est enregistrée sous l'ISSN 1998-7919.

OBJECTIFS

- Aider les scientifiques nationaux, surtout les jeunes chercheurs, à faire connaître le fruit de leur travail afin d'avancer sur les plans académique et professionnel ;
- Constituer une plate forme d'échange et de partage d'informations ;
- Véhiculer des informations utiles dans le domaine de la science et de la conservation de la biodiversité ;
- Donner la chance et surtout aux Malgaches de faire connaître les richesses naturelles de Madagascar.

ÉDITRICE EN CHEF

Marie Jeanne Raherilalao

ÉQUIPE ÉDITORIALE

Steven M. Goodman, Achille P. Raselimanana, Malalarisoa Razafimpahanana, Voahangy Soarimalala et Lucienne Wilmé.

COMITÉ ÉDITORIAL

Malagasy Nature is an international journal concerning the natural history of Madagascar and neighboring islands published by the Association Vahatra. The journal is registered with ISSN 1998-7919.

OBJECTIVES

- To support national Malagasy scientists, particularly young researchers, to publish the results of their scientific work and advance in the context of their academic and professional careers;
- Act as a forum for scientific exchange of information;
- Convey useful information in the domain of science and conservation biology;
- To provide opportunities, particularly for the Malagasy, to learn about their natural patrimony.

EDITOR-IN-CHIEF

Marie Jeanne Raherilalao
